Raven Symone
"Bring It"

Sparks fly it's like electricity
I might die, when I forget how to breath
You get closer and there's no where in this world I'd
rather be
Time stops like everything around me is frozen
And that the night is the theives
Few moments when you open my mind to things I've
never seen

Cuz when I'm kissing you my senses come alive
Almost like the puzzel piece I've been trying to find
Falls right into place you're all that it takes
My doubts fade away when I'm kissing you
When I'm kissing you it all starts making sense
And all the questions I've been asking in my head
Like are you the one should I really trust
How clear it becomes when I'm kissing you

Past loves they never got really far
Walls of pictures I've got in my heart
And I promise I wouldn't do this
Till I knew it was right for me
But no one, no guy that I met before
Could make me feel so right and secure
And have you noticed I loose my focus

And the world around me disapears

Cuz when I'm kissing you my senses come alive
Almost like the puzzel piece I've been trying to find
Falls right into place you're all that it takes
My doubts fade away when I'm kissing you
When I'm kissing you it all starts making sense
And all the questions I've been asking in my head
Like are you the one should I really trust
How clear it becomes when I'm kissing you

I've never felt nothing like this
You're making me open up
No point in even trying to fight this
It kinda feels like it's loveee

Cuz when I'm kissing you my senses come alive
Almost like the puzzel piece I've been trying to find
Falls right into place you're all that it takes
My doubts fade away when I'm kissing you
When I'm kissing you it all starts making sense
And all the questions I've been asking in my head
Like are you the one should I really trust
How clear it becomes when I'm kissing you

Cuz when I'm kissing you my senses come alive
Almost like the puzzel piece I've been trying to find
Falls right into place you're all that it takes
My doubts fade away when I'm kissing you
When I'm kissing you it all starts making sense
And all the questions I've been asking in my head
Like are you the one should I really trust
How clear it becomes when I'm kissing you
