[Galleria]

There's a time when we all choose

[Dorinda]

To either quit

[Aqua]

or follow through

[Galleria]

To just loose faith

[Aqua]

or trust your heart to somehow lead you through the
dark

[Galleria]

you're not the only one

[Dorinda]

whos dreamin

[Chanel]

who needs help to carry on

[all]

we might get lonely but were not alone

[Guitar Solo]

[All]

'Cause we are sisters

We stand together

We make up one big family though we don't look the
same

Our spots are different,
different colors

We make each other stronger that ain't ever gonna
change

We're Cheetah Girls Cheetah Sisters

[Aqua]

Gotta do what we gotta do

Got the brains got the power and we speak the truth

[Chanel]

We're from everywhere all around the world

So you best respect the cheetah girl

[Dorinda]

dancin' singin' from our birth

Workin' hard for what we deserve

[Chanel]
Tryin' not to break the rules
'Cause mama didn't raise no fools
It may seem that we're only dreamin'
[Galleria]
And we need help to carry on
[Chanel]
It's good to know we're not alone

[All]
'Cause we are sisters
We stand together
We make up one big family though we don't look the
same
Our spots are different,
different colors
We make each other stronger that ain't ever gonna
change
[Galleria]
Believe it mister
[Aqua]
We're cheetah girls cheetah sisters

[Galleria]
Someone's always there behind
to catch us if we fall

[All]
'Cause we are sisters
We stand together
We make up one big family though we don't look the
same
Our spots are different,
different colors
We make each other stronger that ain't ever gonna
change
[Galleria]
We're Cheetah Girls Cheeath Sisters
