"Circle Of Life"

from the day we arrived on the planet
and blinking stepping to sun
their's more to be seen than can ever be seen
more to do than can ever be done
some say eat or be eatten
some say live or let live
but all our agree as to join the stampeed
you should never take more than you give

[CHORUS]

in the circle of live
it's the wheel of fortune
it's the leap of faith
it's the band of hope
till we find a place
on the path unwinding
in the circle
the circle of life

[VERSE 2]

some of us fall by the way side
and some of us soar to the stars
and some of us sail to the fountain
and some have to live with the scars
it's far to much to take in here
more to find than can ever be found
but the sun rolling high through the saphire sky
keeps great and small on the endless round

[CHORUS 2 x]
