"Fun Tonight"

We're gonna have some fun tonight, fun tonight
I am the Raven
We're gonna have some fun tonight
CAUSE I AM THE RAVEN

Check the check the check the mood you know I got
plan to hang with my crew chillin' this timme without
you on a regular keyback, sit back and talk on a cellular
phone have a simple party order pizza out check out
some videos you see selling out
Put on some makeup and play around the school
lookin' fly in them shoes everything that am odd
Just because I'm young do'nt mean I'm dumb when it
comes to the partys I'm the flavor of the fun next time
to give jam make sure you invite me I got all the
gimmicks make sure I'm lookin' right
See four feet tall, seven years old when I'm downo n
the mic I'm a sister-not-to-be-sold
So much to do and so little time so sit back and let me
grrowl

[CHORUS]

We're gonna have some fun tonight (fun tonight)
I am the Raven
We're gonna have some fun tonight
I am the Raven

I betcha a buck that you never seen a young girl
shootin' to be cool, largin' 'round trhe world
But the big little boss at the top of the tower, Rave'ns in
effect cause I got the power
It's two'o'clock I'm heading to the playground I'll be
back by three cause mama don't play around
Move to fast let me take it slow and change out the
beat
Changin' the flow, yeah, that'll make it hotter for you to
bump styles so you shouldn't even bother 'cause when
it cause to fun well I'm better than your act, yes the
RAven walks around with her nest on a disk!
Not a superwoman, just a supergirl, give me ike mic

and let the Raven take you 'round the world! Do a time
tunnel, the party's just begun , stick around we're
gonnsa have sme fun!

[REPEAT CHORUS 2X]

I think I can I think I can I Think I can I can do it! (you can
