Chorus:

(All)

Throw your hands up if you know that you're a star,  
you better stand up if you know just who you are,  
Never give up, never stay down

Girl Power, Girl Power!

Throw your hands up if you know that you're a star,  
you better stand up if you know just who you are,  
Never give up, cause you've come too far,  
Girl Power, Girl Power!

Verse 1:

(Galleria)

I've made mistakes before, but I know I'm not perfect,  
and it's okay cause who could ever be?

(Chanel)

As long as I give my best, it won't matter what no one  
says,  
cause deep down in my heart I got the power to make it  
all happen, yeah

Chorus:

(All)

Throw your hands up if you know that you're a star,  
you better stand up if you know just who you are,  
Never give up, never stay down

Girl Power, Girl Power!

Throw your hands up if you know that you're a star,  
you better stand up if you know just who you are,  
Never give up, cause you've come too far,  
Girl Power, Girl Power!

Verse 2:

(Aqua)

At times I may just feel like my back is to the wall,  
(Dorinda)

I hold my head up high and keep standing tall  
(chanel)

I know that my back is covered

(Chanel)

because we have each other, and we're down for  
whatever,

if you hear me throw your hands up!

Chorus:

(All)

Throw your hands up if you know that you're a star,  
you better stand up if you know just who you are,  
Never give up, never stay down

Girl Power, Girl Power!

Throw your hands up if you know that you're a star,  
you better stand up if you know just who you are,  
Never give up, cause you've come too far,  
Girl Power, Girl Power!

(Galleria & Chanel)

Sometimes life may get you down, but you better hold  
your crown,  
can't nobody live your life but you..

(All)

Stay true to who you are, and always follow your heart,  
your heart,  
your heeaaaaaaarrrrrrt

Chorus:

(All)

Throw your hands up if you know that you're a star,  
you better stand up if you know just who you are,  
Never give up, never stay down

Girl Power, Girl Power!

Throw your hands up if you know that you're a star,  
you better stand up if you know just who you are,  
Never give up, cause you've come too far,  
Girl Power, Girl Power!
