I should've seen it comin'
I should've seen it comin'
I should've seen it comin'

My sister
Baby, we don't know what could diss her
Or it was only just a we roll
That's why we be that way
Until we are great and all
Then he came
I fell in love and everything changed
A perfect teacher put in a frame
Here's how our differences in things
Will be the same, oh

(Chorus)
Girlfriend
I thought you said you were my best friend
So why ya tellin' all my business?
Thought we were better
But you show me where we stand
Girlfriend
I thought you said you were my best friend
So why'd ya tell it to my boyfriend?
I thought we were better than a fire or a man

Time passed
Feelings are bubbling like a wine glass(wine glass,wine
glass,wine glass)
My girl won't call me 'cause of my man
Said we can't hang
Because I checked out of the game
But fix that
She went and pulled them tricks out the hat
I tried to tell 'em how I did act
Whenever we go hangin' out back in the day ohh I

Thought you'd be happy for me
But instead you're spitting
"Better be insulting"
Oh yeah
How could you put my business in the street?

I found out what they meant
By your best friend could be your worst enemy

(Repeat Chorus)

I thought you'd be happy for me
But instead you're spitting
"Better be insulting"
How could you put my business in the street?
I found out what they meant
By your best friend could be your worst enemy

"My Girlfriend?"(My girlfriend)
"Why ya talkin' to my boyfriend?"(Ooh!He he he)
"I thought she was my best friend"(I thought we were tight)
"What you tellin' to my boyfriend?"(mmhm We need to talk)
"Hey girlfriend why ya talkin' to my boyfriend?"(Ah ha ha ha)
"I really thought she was my best friend"(What happened?)
What you tellin' to my boyfriend?"
Oh oh oh oh(Busted)

(Repeat Chorus x2)
