Let's do it!

Oh, Oh, Oh

Let's do it!

Oh, Oh, Oh

Listen up I got a secret

My flaws are beautiful

I'm way beyond average

I don't catch the common cold

The bar I set, is a reach above... to you

See, I'm not your average girl at the party, party

It's just me and the dance floor at the party, party

He-ey!

Show me what you've got

I make my move, you make your move

So go!

Cause tonight I'm green

[Go, go, go, go]

It, it, it, it, it, it's just me and the dance floor

Cause tonight I'm green

Look at me, look at me, look at me, ain't I pretty?

Me and the dance floor gettin' it, and ain't this thing
ridiculous?

[Let's do it]

Look at me, look at me, look at me, ain't I pretty?

Me and the dance floor gettin' it, and ain't this thing
ridiculous?

You can tell it ain't a secret

I'm green so I'mma glow

And even when I'm wrong I'm still dead-on

And I'm a straight-up kinda girl, in confidence

Yeah

See, I'm not your average girl at the party, party

It's just me and the dance floor at the party, party

He-ey!

Show me what you've got

I make my move, you make your move
So go!
Cause tonight I'm green
[Go, go, go, go]
It, it, it, it, it, it's just me and the dance floor
Cause tonight I'm green

Look at me, look at me, look at me, ain't I pretty?
Me and the dance floor gettin' it, and ain't this thing
ridiculous?
[Let's do it]
Look at me, look at me, look at me, ain't I pretty?
Me and the dance floor gettin' it, and ain't this thing
ridiculous?

If you wanna see it done then look my direction
Oh, oh, oh

He-ey!
Show me what you've got

Cause tonight I'm green

I make my move, you make your move
