He who asks for a friend  
Must first prove himself friendly  
Trials will come, will you be  
Fair weathered or will you be steady?  
Surely, firmly, are you my friend?

We were close, closer than most  
More than friends, nothing could come between us and  
then  
Arguments and experience  
Came creepin' in, how long has it been?

Didn't want you to leave, we couldn't agree  
So I said to you stop talkin' to me  
That's where we left and now I'm reconsidering  
I did the wrong thing, girl, listen to me

Tell me, what's up? I've had enough  
How do we get back on telling you sorry?  
My mom said, that's how you keep a friend  
Keep a friend, keep a friend  
Tell her you're sorry when you're wrong

That's how you keep a friend  
That's the way you keep a friend  
And that's how you keep a friend  
That's the way you keep a friend  
That's how you keep a friend

I told you things never told nobody  
We shared everything  
Somebody told you I was in town  
Where was I? Had you gotten a reply?  
I apologize wish you'd come around

Didn't want you to leave, we couldn't agree  
So I said to you stop talkin' to me  
That's where we left and now I'm reconsidering  
I did the wrong thing girl, listen to me

Tell me, what's up? I've had enough  
How do we get back on telling you sorry?

My mom said, that's how you keep a friend  
Keep a friend, keep a friend  
Tell her you're sorry when you're wrong

That's how you keep a friend  
That's the way you keep a friend  
And that's how you keep a friend  
That's the way you keep a friend  
That's how you keep a friend

Can't even remember why we fell apart  
But I'm so glad we got back together  
Girl, you're like a sister to me  
So much more than a friend  
So make sure it don't happen again

Tell me, what's up? I've had enough  
How do we get back on telling you sorry?  
My mom said, that's how you keep a friend  
Keep a friend, keep a friend  
Tell her you're sorry when you're wrong

That's how you keep a friend  
That's the way you keep a friend  
And that's how you keep a friend  
That's the way you keep a friend

That's how you keep a friend  
That's the way you keep a friend  
And that's how you keep a friend  
That's how you keep a friend

What I gotta do to put this thing back together?  
What I gotta do to put this thing back together?
