Sittin' here wonderin' if you found another girl or you home, sick, alone, Maybe if you'd let me, I'd call you, And we could go to da movies, bowling, shopping, dinner, da club, a parking lot, That's all i got, I can't move on, that's all i got, I can't move on, That's all I got,

You'd remind me some of the days we'd go out and

We were the best friends until you found out,

You liked me.

But then the relationship changed,

I started liking you back,

But some of the reasonh you kept turning back,

For some of a reason we started breaking off,

Sittin' here wonderin' if you found another girl or you home, sick, alone,

Maybe if you'd let me,

I'd call you,

And we could go to da movies, bowling, shopping,

dinner, da club, a parking lot,

That's all I got,

I can't move on,

That's all I got,

I can't move on,

That's all I got,

(RAP)

How would you know that behind my eyes a sad girl cries about you,

Thinkin' they could've had something,

But now the time has come,

To realize that you're not the only one in this world,

So take it easy,

And call that girl from back in that grade,

Maybe for a date,

You neva know,
If she's mad at you, feelin' blue, still is cool, or she just has a boy,
yeah,
She can't just bend and twist for you,
She has feelings too,
She's still in love with you,
But how would I know,
That girl is me,
yeah----,
That girl is me,
(END OF RAP)

Sittin' here wonderin' if you found another girl or you home, sick, alone,
Maybe if you'd let me,
I'd call you,
And we could go to da movies, bowling, shopping,
dinner, da club, a parking lot,
That's all I got,
I can't move on,
That's all I got,
I can't move on,
That's all i got,
(repeat)

yeah, ha ha ha ha,
