Its My Christmas Wish
That You Love Me Too
I Wanna Spend Everyday With You

Its My Christmas Wish
That You'll Always Be There
Cause Without You I Know I'd Be Nowhere

Oh

I've Been Lovin' You For So Long
Baby I can't Pretend (ummm)
These Feelings For You Oh Will Never End (oh)
Why I Don't Know What I Can Do
I Can Not Say
But I can't Go On Another Day
Living This Way (hey)

[Chorus:]

Its My Christmas Wish That You Love Me Too
I Wanna Spend Everyday With You
Its My Christmas Wish That You'll Be There
Without You I Know That I'd Be Nowhere
My Christmas Wish Your My Christmas Wish

Sometimes Christmas Can Feel Like The Loneliest
Times
Lonely Time Of The Year
Cause I Can't Have You Baby
Holding Me / Holding Me Near (oh oh)

[Chorus]

And When I Wish Upon My Christmas Star
My Christmas Wish Will Be To Be Where You Are
Until I Neel Down And Pray
That You Will Be Mine On Christmas Day

[Chorus 2x]
