"Ooh Boy"

When I woke up this morning
I knew it was a special day
There was something about the way the birds sang out
as if to say...
Maybe somethings gonna happen to change your life
today
I wanna sing out without a doubt
Yes indeed it was a special day
His eyes lit up like candles
His smile put me in a daze
We'd giggle and blush
He put my head in a rush
But I still didnt know his name

[CHORUS]

Ooh Boy
It's a new boy
In school today, I saw him running (running and playing
games)
Playing those silly games (lalalalala)
Ooh Boy
I think of you boy when he smiled at me that way
I felt so special
I would like to know your name
(I would like to know your name)

Mmm..mmm..mm, I wonder what his name is...
Is it Jimmy, Billy Simon or Paul (what is your name)
Lasiana, Christopher, William or Shawn
I just don't know--but I wanna know...
Can you tell me...
His eyes lit up like candles, his smile put me in a daze
We'd giggle and blush he put my head in a rush but I
still didn' know his name

[REPEAT CHORUS TILL FADE]

Ooh boy,
I would like to know your name...
