Trash cans sittin' 'cause it's trash day  
Ohh, why because they want more pay  
Buses on strike, gonna raise the fair  
So they can help pollute the air, ooh

But that's what makes the world go round  
The ups and downs, a carousel  
Changin' people's heads around

Go underground railroad  
People make the world go round  
People make the world go round

Teachers on strike, no more school today  
They want more money but the board won't pay  
Everyone's talkin' 'bout ecology  
The air is so polluted that it's hard to breath

But that's what makes the world go round  
The ups and downs, a carousel  
Changin' people's heads around

Go underground railroad  
People make the world go round  
People make the world go round

But that's what makes the world go round  
The ups and downs, a carousel  
Changin' people's heads around

Go underground railroad  
People make the world go round  
People make the world go round

But that's what makes the world go round  
The ups and downs, a carousel  
Changin' people's heads around

Go underground railroad  
People make the world go round  
People make the world go round
