"I'm a king with a sting of a scorpion"

[Mad Child]

Scorpion King has slowly returned

"I'm a king with the sting of a scorpion"

[Prevail]

Rifle....

"I'm a king with the sting of a scorpion"

[Mad Child]

Scorpion King has slowly returned

"I'm a king with the sting of a scorpion"

[Prevail]

Rifle....

Yo, get challenges of the brain, images of line versus crane

Walking around with feathers in my mane

King of the hill, for the way I'm bringing the kill

Back to the damned, action bent, packing ten

Territorial my friend, only when cornered

Then I let it all fall in it's natural order

Or should I say the chain, that links the food source

The higher archy of friends who first the second corpse

"I'm a king with a sting of a scorpion"

[Mad Child]

Scorpion King has slowly returned

"I'm a king with the sting of a scorpion"

[Prevail]

Rifle....

"I'm a king with the sting of a scorpion"

[Mad Child]

Scorpion King has slowly returned

"I'm a king with the sting of a scorpion"

[Prevail]

Rifle....

Act one, the wings of black pegasus  
Attack the whole pack, we never hold back  
Buried unfound, on sea of ground  
Autopsy lounge, girls of gypsy brown  
Puffing iodine, nouns of landmines  
Puppet hand signs, double down rhymes  
Back by iron and steel  
Sirens and wheels break, smashing vertabraes like  
grapes  
My rifle make and serial number  
Imperial Prevail wonder, I'm a Chemical Brother  
So is Moka Only, so is Ab Rude  
Codename Scorpion, the first volume

"I'm a king with a sting of a scorpion"

[Mad Child]

Scorpion King has slowly returned

"I'm a king with the sting of a scorpion"

[Prevail]

Rifle....

The children of the night, guided by sonar  
We fly-by once and split you down the centre  
Clean, and you have no idea how hard it is  
To miss the major arteries and still get under cartilage  
I pivot, dove it inside of the muscle component  
I'll make it obvious right in front of the audience  
My final opus is the focus of my dominance  
From Spinal Tap to when I rap to building my  
confidence

"I'm a king with a sting of a scorpion"

[Mad Child]

Scorpion King has slowly returned

"I'm a king with the sting of a scorpion"

[Prevail]

Rifle....

"I'm a king with the sting of a scorpion"

[Mad Child]

Scorpion King has slowly returned

"I'm a king with the sting of a scorpion"

[Prevail]

Rifle....
