[Verse:]

I know what i'm all about, nobody's gonna change me,
I stand my ground and deal with negativity,
I got my mind made up,
I'm gonna do whatever makes me happy,
One step at a time, I chose my own destiny.

[Bridge:]

There's no doubt, what it's all about
My dreams are coming true,
Won't stop can't stop,
DO what i need to do,

[Chorus:]

I can stand upon my own,
No one can bring me down down,
I know i'm gonna shine shine, shine shine
I will hold my head up high,
I'm gonna make it through, through
Because it's my time to shine shine, Shine shine.

[Verse:]

I don't let things get to me,
I wanna live stress free,

No one, and nothing gonna get the best of me,
Believe in myself no matter how hard things may
seem,
Keep climbing to the top,
My dreams will be in reach, (Ohhh)

[Bridge]

[Chorus]

[Bridge:]

I'll never lose sign of what i want in my life,
I'll stay true to myself,
No one can tell me, what the future holds,
I'll stay strong no matter,
I will survive, I'm gonna shine.

(c'mon, yeah, uh, *[Repeat]*)

[Chorus]

[REWIND]

[Chorus]

I can stand upon my own,
No one can bring me down down,
I know i'm gonna shine shine, shine shine
