You got  
What most dames want  
(Oh, oh, oh, oh)  
But it ain't  
What I came to see  
(Uh, huh, I know)  
You don't know  
Bout my game zone  
(Oh, oh, oh, oh)  
Time to show  
This boy a harder me

Ay  
You talking  
Like you know what I  
Want  
Before you  
Start pursuing baby  
Whoa  
You run girl  
Like a track star  
But I'm more  
Like a Nascar  
Blowin it back at ya  
Please  
I knew  
I wasn't talkin  
From the door  
We were gonna kiss  
Make my hair twist  
Have me lookin crazy  
No  
This is obviously  
This is your thing right  
Trickin' girls to think  
Their the only ones  
You're feelin right

Stupid  
Stupid I'm not  
I've been  
Around here baby

That means I'm on it  
And I'm used  
To sucker boys like you  
Stupid  
Stupid I'm not  
You talk about it baby  
But when it comes  
To a real girl wants  
You just don't know  
What to do

You think you know  
But you don't  
(You just don't know  
What to do)  
You think you know  
But you don't  
(You just don't know  
What to do)  
You think you know  
But you don't  
(You just don't know  
What to do)  
You think you know  
But you don't  
(You just don't know  
What to do)

Hey  
You told my girl  
That I'm with you  
Whoa  
Did you know  
Veronica had shown  
The message  
That you sent sayin'  
He wanted  
To be her man  
And I was never  
In your plans  
Please  
I told you  
You ain't nothing I  
Want  
So why  
You keep blowin' up  
My phone  
You stuntin'  
And you poppin' right  
Do us both a favor  
And stop callin'

On a late night

(Chorus)

Shorty I can change  
Your whole life in a day  
I don't even think  
You know  
I can do the things  
Them other boys  
Ccan't hang  
I'm everything you want  
Come on flip the page  
Let me show you  
They can't tame me  
I can be you baby  
So tell me why  
You actin so shady  
Cause you know damn  
Well you want  
To be my lady

(Chorus)
