[Dude:]

This (c'mon!)
Is so serious (I said c'mon!)
Raven-Symone!
C'mon! Let's go!
I said c'mon!
Let's go!

[Raven:]

That girl, that got it girl
I'm that girl, that got it girl
That girl, that got it girl
I'm that girl, that got it girl

Put on your smoke and mirrors
Floss a little harder
Ride a little slower so that everybody see's ya
Now turn up your music
Don't forget to valet park it
Make sure you're up to date
There's nothin' worse than last season

Watch my glitz and glamour take over, take over
Gloss is all you see, but I'm siddle, I'm siddle

C'mon! If this is a competition, you can't compete!
Oh! You're rockin' it, but I rocked it last week
Oh! But I don't wave my hands and act a fool
I know you see me steamin', that's why I'm that got it
girl

That girl, that got it girl
I'm that girl, that got it girl
That girl, that got it girl
I'm that girl, that got it girl

Put on your brand new shades that you got from
overseas
I bet you didn't think I got the same pair for free
Don't walk into my closet, it'll put a hurtin' on you
When I slide my diamonds on, I gotta walk them slowly
Watch my glitz and glamour take over, take over

Gloss is all you see, but I'm siddle, I'm siddle

C'mon! If this is a competition you can't compete!
Oh! You're rockin' it, but I rocked it last week
Oh! But I don't wave my hands and act a fool
I know you see me steamin', that's why I'm that got it
girl

That girl, that got it girl
I'm that girl, that got it girl
That girl, that got it girl
I'm that girl, that got it girl

I know you can't do it like me
My body's so sick, I know it's outlandish
So come bigger, dream a little bigger, live a little
bigger
Catch up to me!

Lucky Lucky, I'm a star of the league
'Cause I know you can't do it like me
My body's so sick, I know it's outlandish
C'mon, if this a competition you can't compete!
Oh! You're rockin' it, but I rocked it last week
Oh! But I don't wave my hands and act a fool
I know you see me steamin', that's why I'm that got it
girl

C'mon, if this a competition you can't compete!
Oh! You're rockin' it, but I rocked it last week
Oh! But I don't wave my hands and act a fool
I know you see me steamin', that's why I'm that got it
girl

That girl, that got it girl
I'm that girl, that got it girl
That girl, that got it girl
I'm that girl, that got it girl
