Let's go!

If you could gaze into the future (future)
You might think life would be a breeze (life is a breeze)
Seeing trouble from a distance (Yeah!)
Go rae
But it's not that easy (oh no)
(take it to the bridge now)
I try to save the situation (keep it going rae)
Then I end up misbehaving (oh)

[Eddie:]

Hey now, what you say now
bout to put it down
yeah come on and ride with rae now
and if the future looks great now
then everythin's gonna change now
(here we go)

That's so raven it's the future i can see
That's so raven it's so mysterious to me (i like that)
That's so raven it's the future i can see
That's so raven it's so mysterious to me
Yea!
