I'm not just an ordinary me  
I've got my own individuality  
Not the same so why should I pretend  
To only blend into the crowd

Because I don't wanna be just typical  
Only wanna be original and say  
Never wanna be just typical  
'Cause you write the world you live in  
And I'm gonna do it my own way

My style is anything I like  
I am myself and I never compromise  
Can't be her but I can be the only girl  
In all the world that's me

Because I don't wanna be just typical  
Only wanna be original and say  
Never wanna be just typical  
'Cause you write the world you live in  
And I'm gonna do it my own way

I could never be somebody  
Else I know I never will  
We're beautiful the way we are  
And that's never just typical

No, no, I'm not typical  
Never just typical, never just, oh  
Don't wanna be just typical

I don't wanna be just typical  
Only wanna be original and say  
Never wanna be just typical  
'Cause you write the world you live in  
And I'm gonna do it my own way

I don't wanna be just typical  
Only wanna be original and say  
Never wanna be just typical  
'Cause you write the world you live in  
And I'm gonna do it my own way

'Cause you write the world you live in  
And I'm gonna do it my own way  
'Cause I write the world I live in  
And I'm gonna do it my own way
