With a child's heart  
End of all worries of the day  
With a child's heart  
Turn each problem into blame

No need worry  
No need to fear  
Just being alive  
Makes it all so clear

With a child's heart  
(Oh yeah)  
Nothing can ever get you down  
With a child's heart

There's no reason to ever wear a frown  
Love ease as welcome  
As sunny, sunny days  
No will night fall to lead our minds astray

Daylight peaceful so peaceful  
Like a child  
So peaceful and so carefree

The whole world smiles with you  
Every imagining way  
(Oh, oh)

With a child's heart  
Nothings gonna get, nothings gonna get  
Nothings gonna get me down

Nothings gonna get, nothings gonna get  
Nothings gonna get me down  
Oh, oh, oh  
Nothings gonna get, nothings gonna get  
Nothings gonna get me down

Lay me down to sleep  
I pray my soul to keep  
If I shall die before I wake  
I pray my Lord my soul to take

A child's heart wants love  
A child's heart needs love  
A child's heart is love

Never let it go always let it flow

A child's heart wants love  
A child's heart needs love  
A child's heart is love

Never let it go always let it flow  
Nothings gonna get me down

Lay me down to sleep  
I pray my soul to keep  
If I shall die before I wake  
I pray my Lord my soul to take

Oh, oh  
I like your smile

Never gonna get, never gonna get  
Never gonna get me down
