(feat. Julie Andrews)

[J.A.]

Some girls are fair
Some are jolly and fit
Some have a well-bred air
Or a well-honed wit

Each one's a jewel
With a singular shine
A work of art
With it's own rare design

Dear little girl,
You are terribly blessed
But it's your heart of gold
I love the best

And that will be your crowning glory
Your whole life through
It'll always be your crowning glory
The most glorious part of you

[J.A.] Some boys can waltz
[R] Some guys can groove
[J.A.] Strike an elegant pose
[R] With the really good clothes
[J.A.] Some seem to have no faults
[R] But we never like those
[J.A.] No we don't

[R] He'll praise your eyes
[J.A.] Your melodious laugh
[BOTH] Call you more lovely than others by half
[J.A.] The one who's right
[R] My gorgeous prince
[J.A.] Will be honest and true
[R] He'll believe in me too
[J.A.] And prize your heart of gold the way I do

[BOTH]

He'll know that will be your crowning glory your whole

life through
Your love will see that it's your crowning glory
The most glorious part of you and you
And you
And you

[BOTH]

That will be your crowning glory
Darling when they tell your story
They'll call your heart of gold your crowning glory
The most glorious part of you
