Outburst esoteric dementia  
We incite to begin  
Conductors of cryptic powers  
Desirous of doomsday drift purity into vast forest of  
stench  
Seduce every hopeful dream into hideous corridors  
of perversity  
Drown joy into lethal marestreams  
Buried all luminous elements into infectious catacombs  
Union of furious combatants of chaos  
Vibrate invidious blackness  
Metamorphosis we behld  
Manifestation of the essence  
Uncanny souls shimmering in the moonlight  
Liberate our wisely wings from golden chains  
(Apocalyptic) Genesis of bloodstained aggressive  
defilers  
Gathering of such ancient souls  
The putrefaction of serenity  
The intigrate of atrocity  
The climax of grief  
The climax of grief  
No mercy â€” none shall live  
Forever bleed  
The putrefaction of serenity  
The intigrate of atrocity  
The climax of grief  
The climax of grief  
The obedience of sanctity  
The rapture of supremacy  
The flavor of lust  
The flavor of lust  
Soul trap  
Bloody stain  
Body collapse  
Voracious pain  
Forever pain  
Flesh feat  
Stench conductor  
Blackness unleash  
Forever burn

Forever burn
