An age of plagues, an age of chaos has come  
No fields for kings , no fields for thorncrowned ones  
Knowledge bestowed in ancient cult , the horned one  
more than a figure in black  
No redeemer liveth, liberation we seek  
The earthy coil drenched in sulphur, the burden of  
matter  
Repentance for sin  
Nearly heathen  
Repentance for sin  
Like seven stars that drowned the sun and the moon

One step further to witness writings of doom  
To be neither enslaved, servant or fool  
A cryptic note unveiled for eyes to see  
An age of plague ascends  
No fields for kings  
The earthly coil in sulphur  
Liberation!  
The horned one  
A cryptic note unveiled  
Knowledge bestowed in ancient cult  
The sigil of Baphomet
