My days has turned to night
Darkness taker over light
My soul had turned to evil
Now there's nothing left

The sins of my life
Came back to haunt me
Now that I cannot see
or know where to go
I cannot stand it anymore

When life has no meaning
Suffering a damnation
My soul has no good in it
Has no good at all

The sins of my life
Came back to haunt me
Now that I can not see
Or know where to go
I can not stand it anymore

Sins of life
Haunting my soul

The sins of my life
Came back to haunt me
Now that I cannot see
Or know where to go
I cannot stand it anymore
