Stare into eyes
Breeding madness
Disciples worship
White trash messiah
Darkness reveals
Ritual complete
Unseen hands
Stained with sin

Addicted to his image
Unconditional love
Induced by acid trips
Orgy in dog's blood

Crimson words
Upon the wall
Dead bodies decorate
Stabbed womb fetus
Raging twisted thoughts
A race war to ignite
Promising salvation
A paranoid christ

Addicted to his image
Unconditional love
Induced by acid trips
Orgy in dog's blood
