Whohohoho Common
Feel fine
Keep on let's ride, it's on tonight
Common sunshine
Keep on let's dance and feel alright
Keep on let's ride the sun tonight
Common sunshine
Turn it uppah build a foundation
Boys and girls right across the nation
Give it uppa feel the vibration
In your soul buold a foundation alone

Keep on let's have some fun tonight
Common sunshine
Keep on let's have some fun tonight
Common sunshine

Common common
Sunshine
Sunshine
Sunshine
Sunshine

Keep on let's have some fun tonight
Sunshine
