It's hard to say I'm sorry,
For the way I make you feel,
I need your arms around me,
'Cause your love, it keeps me real.

It's hard to find the answers,
But I gotta let you know,
We were meant to be together,
We two have sound from home,
Now I need your love.

Come and free me,
With your words of love you heal me,
Take me up, up, up and free me,
With your look of love you heal me.

Come and free me,
In your lovin' arms you heal me,
With the words you say you free me,
Every night and day you heal me,
You heal me,
Oh, you heal me.

You heal me.
Come and free me,
With your words of love,
Take me up, up, up,
With your look of love you heal me,
Come and free me,
In your lovin' arms you heal me,
With the words you say you free me,
Every night and day you heal me,
You heal me,
Oh, you heal me.

It's hard without you near me,
What's done is done and told,
And days go by forever,
In a world, so cold.

It's hard to find a reason,
Why we walked away,

And I can start believin',
We two come back to stay,
Now I need your love
