Visit "[Barons Overthrow \(Chapter II\)](#)" on MotoLyrics.com

Dracul's back, armour black
Sword held high up in the air

He seizes the moment to come to power
Capture the rival, burn down the tower

Barons overthrow
Barons overthrow
Barons overthrow
Barons overthrow

With a murderous call, he kills them all
Hoist his flag at the last attack

He seizes the moment to come to power
Capture the rival, burn down the tower

Barons overthrow
Barons overthrow

Dracul's back, armour black
Sword held high up in the air

He seizes the moment to come to power
Capture the rival, burn down the tower
He seizes the moment to come to power
Capture the rival, burn down the tower
