Ooh, ooh ooh, ooh
I know what you like, Konvict

I just got off of work, it's 1:30
I'm kinda hungry, 'cause I know my girl lonely
Goin' back to my crib, it's kinda early
Surprise my girl because I know she waitin'

I open the front door, I hear moanin'
Fo' real somebody, I finna kill somebody
Then I get closer, I hear groanin'
Bust in the door and see my girl wit a chick
That's when I know that

My girl gotta girlfriend, I just found out but it's aight
Long as I can be wit her too
My girl gotta girlfriend, it really is not a problem
'Cause I'ma make it do what it do

'Cause havin' two chicks is better than no chicks
I'd rather just join in, keep my girl and keep the other
one too
My girl gotta girlfriend, it really is not a problem
'Cause I'ma make it do what it do, girl

You know your problem, shawty
Coulda told me, that you were sleepin' wit a chick
How the hell you gon' be leavin' me out? I thought we
was down shawty
You so stingy, while you was kissin' on it
I could be behind the trick and lickin' her out

I thought I had the right girl but I'm so cool wit it
Both of y'all in my bed and watch what I do then
Girl I'ma fool wit it, I'ma fool wit it, so slide over for me
shawty
Let me show you how a player get down

'Cause girl I'm 'bout to give you both the business
Beat it up until you say you finished
Then off to the other one, gotta bust her like a gun
So I don't really care that

My girl gotta girlfriend, I just found out but it's aight
Long as I can be wit her too
My girl gotta girlfriend, it really is not a problem
'Cause I'ma make it do what it do

'Cause havin' two chicks is better than no chicks
I'd rather just join in, keep my girl and keep the other
one too
My girl gotta girlfriend, it really is not a problem
'Cause I'ma make it do what it do, girl

Yea, yea, Konvict
Oh oh oh
Yea, yea, Konvict
Oh oh oh

I'ma playa singing you gon' be singin'
I'ma have you singin', I know what you like
I'ma playa singin', you gon' be singin'
I'ma have you singin', I know what you like

My girl gotta girlfriend, I just found out but it's aight
Long as I can be wit her too
My girl gotta girlfriend, it really is not a problem
'Cause I'ma make it do what it do

'Cause havin' two chicks is better than no chicks
I'd rather just join in, keep my girl and keep the other
one too
My girl gotta girlfriend, it really is not a problem
'Cause I'ma make it do what it do, girl
