I like enchilados and old El Dorados that shine  
And old friend the guitar and songs and women and  
wine  
They say that I'm livin to fast but I'm feelin fine (yeah)  
And I just keep easin along in 3/4 time  
Sometimes I get sideways and stay up all night writin  
songs  
They say it ain't healthy but somehow I keep goin on (I  
do)  
I write what I feel and don't care if the damn thing don't  
rhyme (no)  
Just gimme a C chord and play it in 3/4 time (got it)

Chorus:

It's a big old world and we all have to live out our lives  
And one thing's for sure ain't none of gonna get out  
alive(uhuh,sorry)

So while I'm still kickin I'm gonna keep pickin my tunes  
I like what I'm doin and I hope it don't end too soon  
Cause all a my life there's one thing I keep hopin to find  
(yes)  
A woman who likes to make love in 3/4 time (be nice ya  
know)

Chorus:

It's a big old world and we all have to live out our lives  
And one thing's for sure ain't none of gonna get out  
alive(uhuh,sorry)
