Am I blue? Am I blue?  
Ain't these tears  
In these eyes telling you?

Am I blue? You'll be too  
If your schemes like your dreams  
Done fell through

Was a time, I was her only one  
Now I am the sad and lonely one  
Oh, yes I am

Was I gay 'til today?  
Now she's gone and we're through  
Am I blue?

Was a time, I was her only one  
Now I am the sad and lonely one  
I'm such a lonely one

Was I gay 'til today?  
Now she's gone and we're through  
Am I blue?
