ooh baby love me right ,  
so let me love you till you get it right ,  
why cant you let the others be ,  
cause with you is where I got to be ,

ooh sugar , where've you been ,  
hangin out with your male friends ,  
listen , somebody's going to hurt you ,  
the way you love to keep hurting me ,

ooh baby love me right ,  
let me love you till the morning comes ,  
ooh sugar , love me right ,  
you know I want to be the only one ,

ooh oh oh oh oh ,  
let me love you till you get it right ,

ooh baby , understand , I want you to be the only man ,  
(only man)  
but it seems though its getting too hot ,  
I think i'll start to have my own fun ,  
oh baby its plain to see ,  
that im qualified to fill your needs ,  
you think you put it over on me ,  
oh honey , baby just you wait and see , (see)

ooh baby love me right ,  
let me love you till the morning comes ,  
oh sugar , love me right ,

you know I want to be the only one

ooh oh oh oh oh ,  
let me love you till you get it right ,

love me right ,  
you gotta love me ,  
love me right , (ri-ight)  
you gotta love love me ,

ooh ooh yeah

ooh oh oh oh oh ,  
let me love you till you get it right ,

ooh baby love me right ,  
let me love you till the morning comes , (love me)  
ooh sugar love me right  
you know i want to be the only one , (only one)

ooh baby love me right , (love me)  
let me love you till the morning comes ,  
ooh sugar love me right ,  
you know i want to be the only one , (ooh yeah)
