You C C Rider, see what you done done
C C Rider, you see what you done done
You C C Rider, you see what you done done
You done made me love you and now your man done
come
My home is on the water, I don't like no land at all
Home's on the water and I don't like no land at all
My home's on the water and I don't like no land at all
I'd rather be dead than to stay here and be your dog
So you C C Rider, see what you done done
C C Rider, you see what you done done
You C C Rider, you see what you done done
You done made me love you and now your man done
come
