If your sweetheart, sends a letter, of goodbye
It's no secret, you'll feel better, if you cry
When wakened, from a bad dream, don't you
sometimes think it's real
Well, it's only, false emotion, that you feel

If your heartaches, seems to hang around, too long
And your blues, keep getting bluer, with each song
Remember, sunshine can be found, behind a cloudy
sky
So let your hair down now, and baby go on and cry

If your heartaches seem to hang around too long
And your blues keep getting bluer with each song
Well remember, sunshine can be found, behind a
cloudy sky
Why don't you let your hair down now, baby go on and
cry
I said let your hair down, baby go on and cry
Go on baby and cry
