Now you say you're lonely  
You cried the long night through  
Well, you can cry me a river  
Cry me a river

I cried a river over you  
Now you say you're sorry  
For being so untrue  
Well, you can cry me a river  
Cry me a river

I cried a river over you  
You drove me, nearly drove me out of my head  
While you never shed a tear  
Remember? I remember all that you said

Told me love was too plebeian  
Told me you were through with me  
Now you say you love me  
Well, just to prove you do

Cry me a river  
Cry me a river

I cried a river over you  
You drove me, nearly drove me out of my head  
While you never shed a tear  
Remember? I remember all that you said

Told me love was too plebeian  
Told me you were through with me  
And now you say you love me  
Well, just to prove that you do

Come on  
Come on

Cry me a river  
Cry me a river

I cried a river over you  
I cried a river over you
