Oh, it's crying time again, you're gonna leave me  
I can see that far away look in your eyes  
I can tell by the way you hold me darlin', ooh  
That it won't be long before it's crying time

Now they say that absence makes the heart grow  
fonder  
(Fonder)  
And that tears are only rain to make love grow  
Well, my love for you could never grow no stronger  
(Stronger)  
If I lived to be a hundred years old

Oh, it's crying time again, you're gonna leave me  
I can see that far away look in your eyes  
I can tell by the way you hold me darlin', yeah now  
That it won't be long before it's crying time

Now you say you've found someone that you love  
better  
(Better)  
That's the way it's happened every time before  
And as sure as the sun comes up tomorrow  
('Morrow)  
Crying time will start when you walk out the door

Oh, it's crying time again, you're gonna leave me  
I can see that far away look in your eyes  
I can tell by the way you hold me darlin', alright now  
That it won't be long before it's crying time  
(That it won't be long before it's crying time)
