Dont set me free
And leave me all alone
Dont make me be
Just a rolling stone
Lock me up and throw the key away
Make me a prisoner night and day
And whatever you do to me
Dont set me free

Dont set me free
On my knees I pray
Have mercy on me
Dont send me away
Like a train jumpin off a track
Without ya baby, Id blow my stack
And whatever you do to me
Dont set me free

Like a stamp on a letter, if you let me stick with you
I could love you better, than anyone else can do

So dont set me free
Though Ive done you wrong
Baby cant you see
Without you I cant get along
Keep me in a state of agony
Make me miserable as can be
And whatever you do to me
Dont set me free

Like a stamp on a letter, if you let me stick with you
I could love you better, than anyone else can do

So dont set me free
Though Ive done you wrong
Baby cant you see
Without you I cant get along
Keep me in a state of agony
Make me miserable as can be
And whatever you do to me

Dont set me free
No, no, no, dont set me free
Im saying no, no dont set me free
Baby, no, no, dont set me free
