Well now baby
Tell me how do you do?
Ooo now baby
Tell me how do you do?
Well I wanna say baby
I really got news for you

Well now baby
Tell me what is your name?
Ooo now baby
Tell me what is you name?
Well I'm in love with you baby
Supposin' you feel the same?

Well now baby
I really want you by my side
Ooo, now baby
Swear I want you by my side
Well you in love, in the money
Keep your daddy satisfied

Well you finally mine
You really on the ball
Ooo, Lord by your by
You're really on the ball
Well you know I start runnin'
Every time you call

Oh, lord , babe
Rock, everybody rock, rock, rock
Everybody, jump, jump, jump
Everybody, wail, wail, wail
Everybody jump, jump, jump
Everybody, .well are ya anybody

I said wail, wail (wail, wail)
Oh, babe (Oh, babe)
Oh, babe (Oh, babe)
Oh, babe (Oh, babe)
Oh, babe (Oh, babe)
I believe in you when you say I do

Babe, talk about your baby
You ought to be mine
Well, you can talk about your baby
But you ought to be mine
Well she feels like an angel
And it ought to be an Angel o' mine

Well, in the mornin'
Early in the morning
Oh, lord in the evenin'
Do it in the mornin'
Well, early in the mornin'
