Everytime we say goodbye, I die a little  
Everytime we say goodbye, I wonder why a little  
Why the Gods above me, who must be in the know  
Think so little of me, they allow you to go

When you're near, there's such an air of spring about it  
I can hear a lark somewhere, begin to sing about it  
There's no love song finer  
But how strange the change from major to minor

Everytime we say goodbye

When you're near, there's such an air of spring about it  
I can hear a lark somewhere, begin to sing about it  
There's no love song finer  
But how strange the change from major to minor

Everytime we say goodbye
