I'm gonna move, baby
Way out on the outskirts of town
I'm gonna move, baby
Way out on the outskirts of town
You see I don't need nobody
Always hangin' 'round

Let me tell you, honey
We gonna move away from here
I don't need no iceman
I'm gonna get you a Frigidaire

When we move
Way out on the outskirts of town
Whoa, you see we won't need nobody
Always hangin' 'round

It may seem funny, honey
Funny as can be
If we have a dozen children
You know they all, all better look like me

When we move
Way back 'a town
Whoa-oh-oh-oh, we won't need no-body
Always hangin' 'round

We don't need nobody, baby
All, always hanging 'round
Hangin' 'round
Hangin' 'round
