Makes no difference now what kind of life fate hands
me

I'll get along without you now that's plain to see
I don't care what happens next 'cause I'll get by
somehow

I don't worry 'cause it makes no difference now

It was just a year ago when I first met you
I learned to love you and I thought you loved me too
But now that's all in the past and I'll forget somehow
I don't worry 'cause it makes no difference now

(Instrumental)

Now that we have really parted I can't believe we're
through

I don't blame myself and I'm sure I can't blame you

I know that something had to happen and it happened
somehow

I don't worry 'cause it makes no difference now

After all is said and done I'll soon forget you
Although I know that it will be so hard to do
Let things happen as they will and I'll get by somehow
I don't worry 'cause it makes no difference now
