I'm laughing and clowning  
Just to keep from crying  
I'm laughing and clowning  
Just to keep from crying

I'm trying to hide the fact  
That I've got a worried mind

Being the life of the party  
Seems to be my role  
Ever since you left me, girl  
Being the life of the party  
Seems to be my role

I'm trying to hide my feelings  
And I'm trying to hide my soul  
Yes, I am

Well, listen, one more thing

I stand in the doorway  
Watching all the girls go through  
I stand in the doorway  
Watching all the girls go through

Yes, I do

I'm trying to find me somebody  
To make my mind off of you

Pick it for me, son

Whoa, I keep laughing and clowning  
To make my mind off of you, girl
