There's a bright golden haze in the meadow  
There's a bright golden haze in the meadow  
The corn is as high as an elephant's eye  
And it looks like it's climbing clear up to the sky

Well, oh what a beautiful morning, aw now  
Yes, what a wonderful day  
(Look out there)  
You know I, I've got a beautiful feeling  
Everything's, everything's going my way  
(Ya'll c'mon now)

Whoa, the cattle are standing like statues  
The cattle are standing like statues  
They don't turn their heads as they see me ride by  
But a little brown maverick is winkin' her eye, she said

Oh, what a beautiful morning, yeah  
Well, what a wonderful day, I want ya'll to know, oh now  
I've got a beautiful feelin', I got everything,  
everything's goin' my way  
Everything's goin' my way, my way  
(Alright ya'll, do it to me)

Oh, alright now, aha

Whoa, the sounds of the earth are like music  
The sounds of the earth are like music  
The breeze is as busy, it don't miss a tree  
And a little ol' weepin' willow is laughin' at me, she said

Oh, what a beautiful morning  
(Alright now)  
Yes, what a wonderful day, alright  
Yeah, I got a beautiful feelin', I got everything, I got  
everything  
I got everything  
(Whoa)  
Everything's goin' my way, my way, hah ha,  
everything's goin' my way

Whoa, baby, oh, baby

I wanna thank you, little girl, for such a wonderful day  
Oh, I got a beautiful feelin'  
Everything's goin' my way
