Worked all summer,
And all the fall
Had to take my Christmas
In overalls

Now she's gone,
And I don't worry
I'm sitting on top of the world

When I had you baby
You wouldn't treat me right
You stayed away
Both day and night

Now she's gone
And I don't worry
I'm sitting on top of the world

It's been days
when I didn't know your name
Why should I cry
Cry in vain

Now she's gone
And I don't worry
I'm sitting on top of the world
