The song a robin sings,  
Through years of endless springs,  
The murmur of a brook at evening tide.  
That ripples by a nook where two lovers hide.  
That great symphonic theme,  
That's Stella by starlight,  
And not a dream,  
My heart and I agree,  
She's everything on Earth to me.  
The murmur of a brook at evening tide.  
That ripples by a nook where two lovers hide.  
That great symphonic theme,  
That's Stella by starlight,  
And not a dream,  
My heart and I agree,  
She's everything on Earth to me.
