I met my old lover on the street last night
She seemed so glad to see me, I just smiled
And we talked about some old times
And we drank ourselves some beers

Still crazy after all these years
I'm still crazy after all these years

I'm not the kind of man who tends to socialize
I seem to lean on old familiar ways
And I ain't no fool for love songs
That whisper in my ear

Still crazy after all these years
Said I know I am, oh, this crazy after all these years
Yeah, I am, baby, yes I am

It's four in the morning and I'm tapped out, yawning
Longing my life away
I'll never worry, why should I?
It's all gonna fade, all, it's all gonna fade, oh baby

Now I sit by my window and I watch the cars
I feel I'll do some damage one fine day
But I would not be convicted
By a jury of my peers

Still crazy after all these years
Say, don't you know that I'm crazy, baby?
Ah, don't you know I'm crazy? Yeah, I am
I'm crazy, oh baby, oh, I'm still crazy
After all these years, girl

Said I'm crazy, baby, I'm a fool for you
Yes, I am, I can't help myself
I'm crazy, baby, oh heavens
Oh, I'm crazy after all these years
I don't believe it

Oh, baby, come here
I wanna tell you something
I wanna hold on to you, you know it

That's why I'm still crazy after all these years
Somebody hear me

And I've lost my mind, yeah baby
You've got me by your little finger
