Tell me how do you feel
When your baby's loving your best friend?
I wanna know

Tell me how do you feel
When your baby's loving your best friend?
Yeah

Do you feel like going crazy
Or do you feel you've always been?

Hey, hey, tell me how how do you feel
When your baby crosses your mind?
I wanna know

Tell me how do you feel
When your baby crosses your mind?
Yeah

Do you crack up with loud laughter
Or do you break down and start crying?

Tell me how do you feel, partner?
I want the truth and not a lie
That's what I said

Tell me how do you feel, partner?
I want the truth and not a lie
Yeah

Because if you feel good on the inside
I must admit you're a much better man than I

Would you feel happy
Or would you feel sad
When you've lost the best girl
That you've ever had?

I wanna know, I wanna know
I wanna know, I wanna know
I wanna know, hey, hey

I wanna know, I wanna know

Would you feel happy
Or would you feel sad
When you've lost the best girl
That you've ever had?

I wanna know, I wanna know
I wanna know, I wanna know
Yeah, I wanna know, I wanna know
I wanna know, I wanna know

It's alright
It's alright
It's alright
It's alright now

Oh baby, I wanna know
Oh, I wanna know
I wanna know, know
I wanna know, I wanna know
