When I need company,
I call on you to see about me,
I wanna walk about it,
Talk about it,
Tell the world about you,

When your with me it's so much fun,
Your all the good things wrapped in one,
I wanna walk about it,
Talk about it,
Tell the world about you.

Woah, I wanna walk,
I wanna talk,
I wanna tell,
I wanna live,
I'm gonna give,
We'll have a love.

Chorus

Your so fine,
And your so sweet

Your better at love than a KBB,
I wanna walk about it,
Talk about it,
Tell the world about you.

Instrumental

Woah, I wanna walk,
I wanna talk,
I wanna tell,
Wah, I'm gonna live,
I'm gonna give,
We'll have a love

Chorus
