Now, listen, baby  
Before you walk out on me  
All you hear and half you see  
Ain't nothing but a lie

(Oh, yeah, that's a lie)  
Believe me, girl  
It's just a lie (oh, yeah)  
(You know that's a lie)

No matter how hard people may try  
Don't you let nobody make you cry  
Cause it's a lie (oh, yeah)  
(You know that's a lie)

When your friends  
Call you on the telephone  
And say I don't love you  
You just shy them on

Cause it's a lie, baby (oh, yeah)  
(You know that's a lie)  
You know it's a lie  
Don't you, baby (oh, yeah)  
(You know that's a lie)

No matter how hard people may try  
Don't you let nobody make you cry  
Cause it's a lie, baby (oh, yeah)  
(You know that's a lie)

Look here, I work so hard  
I'm trying to get ahead  
And when I fight all night  
About some things the neighbors say

They say I beat you  
Each and every night  
That's just as wrong  
As saying black is white

And you know

That's a lie, baby (oh, yeah)  
(You know that's a lie)  
Don't you know it's a lie, baby  
(Oh, yeah, you know that's a lie)

No matter how hard they may try  
Don't you let nobody make you cry  
Cause it's a lie, girl (oh, yeah)  
(You know that's a lie)

I got one more thing I wanna say

I like your mama  
But I wish she'd leave us alone  
And stop saying I'm cheating  
Every time I leave home

Cause it's a lie (oh, yeah)  
(You know that's a lie)  
Ain't nothing but a lie, girl  
(Oh, yeah, you know that's a lie)

No matter how hard she may try  
Don't even let your mama make you cry  
Cause it's a lie, baby (oh, yeah)  
(You know that's a lie)

Wait a minute now  
Please don't get mad at me  
(Oh, yeah, you know that's a lie)  
I'm just trying to tell you  
What the truth is

You know it's a lie, don't you  
(Oh, yeah, you know that's a lie)  
I keep loving you, baby (oh, yeah)  
(You know that's a lie)...
