Yeah, yeah
Yeah, yeah
Ooh, yeah, that's where it's at

The lights turned way down low
And the music is soft and slow
With someone you love so
That's where it's at, yeah

Your world turned upside down
(Down)
You makin' not a sound
(No, no)
No one else around
That's where it's at

That's where it's at
Pretty baby
That's where it's at
That's where it's at
Pretty baby
That's where it's at

Your heart is beating fast
You're knowin' that the time will pass
But hoping that it lasts
That's where it's at

To say that it's time to go
She says, "Yes, I know
But just stay one minute more"
That's where it's at

That's where it's at
Pretty baby, yeah
That's where it's at
Anytime now

That's where it's at
Pretty baby
That's where it's at

Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah, yeah
Yeah, yeah
