There is a change in the weather
And a change in the sea
From now on
There's gonna be a change in me

My walk will be different
My talk and my name
Nothing about me
Gonna be the same
You hear me, baby?

I'm gonna change my way of livin'
And if that ain't enough
I'm gonna change
The way I stuck my stuff

Nobody wants you
When you are old and gray, no, baby
There will be some change in me today
There's got to be some change in me
Yeah, you better believe

Now I want to sing this one more time

I'm gonna change my way of livin'
And if that ain't enough
I'm gonna change
The way I stuck my stuff

'Cause I found out
Nobody wants you
When you are old and gray, oh baby, no
There will be some change in me today, oh
There's got to be some change in me

No, I'm not talking about next year, next month
Next week or even tomorrow
I mean, baby, that's gonna be some change in me
About me, there's gonna be some change in me

Oh baby
